Effective strategies. It is not difficult to understand what employers are after. They want to abolish the welfare state, to privatise and corporatise ever bigger parts of our economies and societies, and to defeat the trade union movement. To confront that, we need stronger unions willing to challenge them.

Trade unions need new strategies – Asbjørn Wahl
Free trade unions help to provide the underpinning for nations undergoing economic growth and democracy by contributing to the emergence of a stable, fairly paid, working middle-class. Without free unions, developing countries tend to enrich only narrowly based economic and political elites while the vast majority of their increasingly alienated citizens continue to be trapped in poverty.
